

# The Cell is Like....A School!!!!

**Directions: Using your knowledge of Cell Organelles, fill in the analogy box of the table with the best analogy you can come up with for how a school relates to a cell.**

**\*\* An analogy: The (organelle) is like a (Place on Campus) because (Valid Reason for your choice).**

The Organelle	School Analogy
Nucleus	The <u>nucleus</u> is like the <u>Principal's office</u> because <u>it controls all decisions on campus and holds all valuable records.</u>
Ribosome	
Endoplasmic Reticulum	
Vesicles	
Golgi Body	
Mitochondria	
Cell Membrane	
Cytoplasm	

Choose a plant OR animal cell and add the ORGANELLES specific to that cell
